Part Number Update

Bulletin No: PNU-176 Effective Date: March 11, 2013 Cancels: NA

Subject: **Changeover from Bendix® MV-2™ valves to Bendix® MV-3® valves**

This bulletin is to announce that the Bendix® MV-2™ valves are now obsolete and will no longer be available for service. Bendix Commercial Vehicle Systems is recommending a changeover to the Bendix® MV-3® valve. The valves are comparable in performance and package size and have equivalent mounting plate configurations. To facilitate the changeover, a 90° fitting is included for installation in the MV-3 Auxiliary Port.
